

Friday, 3rd July 2026

Dear Year 4 Parents,

The children have worked incredibly hard throughout the academic year and thoroughly deserve a well-earned break over the summer. We hope you all enjoy the opportunity to rest, recharge and spend time together as a family.

We also appreciate that many parents like to maintain a little continuity with learning over the holidays. With that in mind, we have included a selection of optional activities and resources to help consolidate this year's learning and ensure the children return to school in September feeling confident and ready for the exciting challenges of Year 5.

Most importantly, we encourage the children to continue reading regularly, remain curious, and enjoy the many learning opportunities that the summer naturally provides.

We wish you all a wonderful and relaxing summer break.

With best wishes,

Steve Gair
Deputy Head (Teaching and Learning)

English	Maths
Reading Children should continue to read widely over the holiday. Here is a link to the Year 3 and Year 4 reading lists, which can be found on our website, in The Library section. Summer Reading Challenge Please read the Messenger for more details. Any writing opportunities Why not try writing postcards, diaries, letters, shopping lists, book reviews? Your child's English teacher would love to see what they have been up to in September.	TT Rockstars This is a great opportunity to consolidate and focus on times table recall ahead of Year 5. Century Children can access their tailored learning pathway on topics from this year using their usual Microsoft login details. Maths workbooks We recommend the following books to help consolidate the year's learning: CGP KS2 Maths Targeted Question Book - Year 4 CGP KS2 Maths Targeted Question Book: Challenging Maths - Year 4 Stretch
